A message from Governor Mark Gordon

Dear Visitors and Exhibitors of the 2019 Wyoming State Fair and Rodeo,

Welcome to Douglas for the 107th Wyoming State Fair and Rodeo! The State Fair is a celebration of Wyoming’s past, present, and future. It is a family event that brings together generations of producers, competitors, and guests. Families have been gathering in Douglas each year for decades to see old friends, share information, and make new memories. First Lady Jennie and I look forward to the fair each year to see friends from across the state and make new acquaintances every August.

As a young man, I remember exhibiting here and watching my dad, Crow Gordon, compete. My sister and I also showed here. Our dad, I remember, encouraging our daughters in their projects and competitions here, and even now we enjoy supporting the kids of our friends as they compete here. This is a tradition.

For more than a century, the State Fair has been a gathering place where we pay tribute to Wyoming’s farms and ranches and the hard-working families that keep them moving forward. Agriculture is one of Wyoming’s top industries that provides a strong economic benefit to our state while maintaining our western culture and heritage. These stewards of the land also help provide habitat for wildlife and preserve the open spaces we all enjoy. Agriculture has always been the constant thread woven through the fabric of our state and the Wyoming State Fair is the place to come celebrate this vital industry. As a ranching family, Jennie and I know firsthand the value of this industry and the important role the Wyoming State Fair plays in it through youth competition, education, relationship building, and growing our young entrepreneurs. I am committed to a strong and successful State Fair now and going forward. The development of the new Wyoming State Fair Board and the Wyoming State Fair Endowment are going to help not only sustain the fair but also strengthen and stabilize this great event for years to come. We want each fair to be better than the last. To that end, whether you are attending for the first time or you come each year, it is important that we hear from you. Please share your thoughts and suggestions on what you enjoyed or what can be done to improve your experience on the State Fair mobile app or website so this event can continue to improve. We hope you enjoy your time on our beautiful fairgrounds here in Douglas and plan to bring your family, friends, and people in your community with you when you return next year.

Jennie and I thank you for attending and we look forward to visiting with you while you’re here. We thank the WSF Board and staff, volunteers, and sponsors whose hard work and contributions make the Wyoming State Fair and Rodeo an event to remember.

Dear Visitors and Exhibitors of the 2019 Wyoming State Fair,

Welcome to the 107th Wyoming State Fair! Each year, we look forward to the Fair because it’s an amazing opportunity to showcase our agriculture, our entrepreneurs, and our young people in this vital industry. Since 1905, the Wyoming State Fair has been an agriculturally focused event and that is no different today. For many, the State Fair is the summer meeting place of our industry where families come to see friends, share information, and do business. Over the years, there have been additions to this focus to make it a family friendly, affordable event with entertainment options and educational opportunities for everyone. Even with these additions, the agricultural core remains the same.

Every August, young people from across the state converge on Douglas, Wyoming to participate in the Wyoming State Fair in hopes of bringing home a title from the culminating event of their year. There are a lot of great entertainment options and vendors to see at this year’s fair, but the activities we are always the most excited as the Wyoming Department of Agriculture happen in the barns, show rings, and exhibit halls. The young people who come to compete at the fair each year are some of the best our state has to offer. Their hard work, dedication, and work ethic are on full display during the fair. Do yourself a favor and walk through the barns and exhibition halls to visit with these exceptional 4-H and FFA members. Learn more about their animals, their projects, and the time and effort these outstanding young people have dedicated to them. Visiting with these kids will help you walk away with a deeper understanding of the agriculture industry in Wyoming and more confidence that the future of Wyoming is bright.

Along with this, if you are interested in helping ensure the future of the Wyoming State Fair, I encourage you to contribute to the Wyoming State Fair Endowment Fund. Your donations to this important fund will help stabilize the funding stream and sustain this incredible event into the future. After more than 100 years of success at the Wyoming State Fair, the WSF Endowment was established to make sure the fair flourishes for the next 100 years. If you are interested in contributing, visit the Wyoming State Fair webpage or app for more information.

Finally, thank you to the Wyoming State Fair Board, staff, volunteers, sponsors, and others who put a lot of time and effort into making these beautiful fairgrounds. I’m confident you will all have a great time and I look forward to seeing you at the Wyoming State Fair!

Doug Miyamoto, Director
I would like to formally welcome you and your family to Douglas, Wyoming for the 107th annual Wyoming State Fair and Rodeo, August 13 through August 17, 2019.

As a former 4-H member, I have very fond memories of showing my horses at the Wyoming State Fair. I commend every 4-H and FFA youth for all of their hard work over the last year. The Wyoming State Fair is one of the few fairs left where youth have to win a county competition to qualify to show at state. All of the youth deserve our sincere congratulations for making it to the top.

While you are in Douglas, I hope you will enjoy our many attractions. Come and visit the Jackalope at Jackalope Square. There is a statue of Sir Barton, the first Triple Crown winner, located in Washington Park. We also have a beautiful walk along the Platte River, which includes storyboards for the children to read and enjoy as they burn off some extra energy. We also have great fishing along the river for both trout and catfish.

We have an amazing Railroad Museum at the Chamber of Commerce complete with an engine, dining car, caboose, sleeper car, etc. and all open to the public to enjoy. There is also a really well done working train set inside of the chamber office.

We have the Wyoming Pioneer Museum located on the fairgrounds as well as the Pioneer Cemetery located on Highway 59. Both are a great way to connect with Wyoming’s past. And, you won’t want to miss out on the Camp Douglas Officers’ Club State Historical Site on Richards Street. If you are interested in learning more about Wyoming’s housing of prisoners of war during WWII. There are amazing western themed murals in the club that were drawn and painted by the prisoners themselves. All of these attractions are free.

We also have a wide variety of restaurants, covering everything from traditional American cuisine, to Mexican, Japanese, and Indian food.

So come and enjoy all of what Douglas has to offer you and your family, during your stay for the Wyoming State Fair. And please come back and visit us soon!

Rene’ Kemper
Mayor of Douglas

On behalf of the Wyoming State Fair Board and State Fair Staff, “Welcome to the 2019 Wyoming State Fair”.

The Wyoming State Fair is the state championship round for our exhibitors, highlighting the “best of the best” of our 4-H and FFA youth from around the State of Wyoming.

Take a walk around the grounds and shop with our vendors, enjoy the entertainment on the free stage and eat some great food in the food court. Learn the history of the sheep wagon and watch the dutch oven cooking contest. Maybe you would like to spend time in the livestock barns, learning where your food comes from.

Enjoy the Rodeo’s, Demolition Derby, Dock Dogs and livestock shows. Don’t forget to visit the numerous other exhibits such as photography, sewing, quilting, woodworking, horticulture and more. If you enjoy history, visit the Wyoming Pioneer Museum. We have it all! Or just relax on a bench under a shade tree visiting with friends.

The Wyoming State Fair has seen many changes in the last few years. The new State Fair Board is planning on making the State Fair bigger and better without losing the many traditions that make our fair great and Wyoming a special place!

We would welcome your help, become a volunteer or join the F.A.I.R. Posse. But most of all come and enjoy the fun of the 107th Wyoming State Fair which was planned just for you.

30. ENFORCEMENT: The failure of the Wyoming State Fair to enforce any of the provisions, rules, rights or remedies of this premium book or to exercise any options or sanctions herein provided will in no way be construed to be a waiver of such provisions, rules, rights, remedies, sanctions, or options.

31. IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) NATIONAL CODE OF SHOW RING ETHICS: Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to youth as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “IAFE National Code of Show Ring Ethics”, fair and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with youth exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and/or be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3. Youth exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal’s performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal’s performance or alter its natural contour, conformation, or appearance, except the external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as showing animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.

In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with
courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences and penalties provided for actions prohibited by the code. It is further a consent that any action which contravene these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

32. 2019 WSF ANIMAL CARE STATEMENT: Wyoming State Fair has developed an Animal Care Committee with representatives from: Wyoming State Fair, Wyoming Department of Agriculture; and Wyoming Livestock Board. The committee is charged with determining proper care is given to all species of livestock while they are on the Wyoming State Fair grounds as well as upholding high standards of animal husbandry and ethical practices of exhibiting animals (as addressed in Wyoming Statute 11–30–114).

The Animal Care Committee shall be comprised of the Wyoming State Fair Director or their designee; the Director of the Wyoming Department of Agriculture or their designee; the Wyoming State Veterinarian or their designee; and the Superintendent for each species specific division of the Wyoming State Fair. The division Superintendent will be a non-voting member in cases where they (as an individual) bring matters of concern or violation before the committee.

The Animal Care committee shall be convened for matters of concern raised by Wyoming State Fair Officials (Superintendents; Staff; or Judges) or individual members of the Animal Care Committee. The Animal Care Committee may determine the need to contact Wyoming Livestock Board Law Enforcement Division personnel regarding potential violations of statute. Wyoming Livestock Board Enforcement Division personnel may be present on the Fair Grounds at any time to identify or to investigate alleged violations of statute.

Every exhibitor, in consideration of their entry being accepted by the Wyoming State Fair, agrees to submit any animal so entered to inspection by the Animal Care Committee. The exhibitor further agrees to have such animal submitted to any tests designated and requested by the Animal Care Committee. The exhibitor agrees that protest to conclusions and decisions reached by the Animal Care Committee shall be subject to the Wyoming State Fair protest process, and that further testing may be done to confirm the initial conclusion(s) and decision(s) of the Animal Care Committee. A unanimous decision by the Animal Care Committee is necessary for disqualification. Selection of confirmatory testing method(s) will be at the discretion of the Animal Care Committee. The animal in question will not be disqualified until confirmatory tests are complete. Cost(s) of confirmatory test(s) will be borne by the exhibitor of the animal in question if the results are positive (disqualification), and borne by the Wyoming State Fair if the results are negative. Refer to Rule #9 (DISQUALIFICATION), page 20 of the Wyoming State Fair Premium Book in the JUDGES AND JUDGING section.

(G) The manipulation or removal of tissue, by surgery or otherwise, so as to change, transform or enhance the true conformation or configuration of the livestock. Nothing in this subparagraph shall prohibit generally accepted management practices including but not limited to the dehorning, castration or spaying, corrective shoeing or trimming of any livestock;

(H) Subjecting the livestock to inhumane conditions or procedures for the purpose of concealing, enhancing or transforming the true conformation, configuration, condition or age of the livestock or making the livestock appear more sound than the livestock would otherwise appear;

(J) Substituting any different livestock for the livestock registered or entered in the exhibit without the permission of a responsible official of the exhibition.

34. **2019 WSF TAIL DOCK POLICY:** Sheep presented for exhibit at Wyoming State Fair shall have no evidence of rectal prolapse, nor evidence of surgical tail removal. Following visual examination by the Animal Care Committee, evidence of either of these conditions is cause for immediate disqualification without recourse. Sheep presented for exhibit at Wyoming State Fair that are visually examined by the Animal Care Committee and determined to lack visible tail length may be evaluated by palpation for the presence of tail vertebrae. If no tail vertebrae are found it is cause for immediate disqualification without recourse. Disqualified sheep shall be released and removed from the exhibit area. Determinations and decisions of disqualification by the Animal Care Committee are final and subject to confirmatory testing as specified in the Animal Care Statement section of the WSF Premium Book.

In years previous, increased frequency of surgical removal of sheep tails and instances of extreme tail docking of sheep led the Wyoming Board of Agriculture to take decisive action by implementing a Tail Dock Rule at the Wyoming State Fair which required the presence of three full coccygeal vertebrae on sheep exhibited at the Wyoming State Fair.

At this time, the Wyoming Board of Agriculture feels significant progress has been made by members of the show sheep industry in addressing the concerns of surgical tail removal and extreme tail docking of sheep, and therefore chose to adopt this rule. If at any time the Wyoming Board of Agriculture determines that members of the show sheep industry are reverting to the practice of extreme tail docking or the surgical removal of tails of sheep, the Board of Agriculture will direct the Wyoming State Fair to re-instate the rule requiring the presence of three full coccygeal vertebrae on sheep.

Wyoming State Fair and the Wyoming Department of Agriculture encourage exhibitors to practice the highest standards in animal agriculture. Therefore, all sheep shown at the Wyoming State Fair should be docked in a manner that does not compromise the animal’s health and well being.

35. **CRUELTY TO ANIMALS:** Absolutely no cruelty to or abuse of animals will be tolerated. Immediate disqualifications of the exhibitor and exhibit may result from confirmed abuse or cruelty.

36. **ETHICS:** All exhibitors exhibiting animals must comply with the national show ring code of ethics (rule #31), United States Department of Agriculture Wholesome Meat Act (from USDA) and Wyoming State Fair residue avoidance program, which can be requested in writing, from Wyoming State Fair management.

December 1, 2019, is the deadline for reporting any errors in a premium check or for a check not having been received by the exhibitor. After that date, no changes will be made nor checks issued.

All premiums whatsoever, not claimed within 90 days of receipt, shall be deemed forfeited to the Wyoming State Fair/State of Wyoming.

The Wyoming State Fair reserves the right to withhold premiums and awards awarded in every case in which it shall appear to fair management that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.

In case the total premiums exceed the established premium budget, premiums will be scaled down as designated by State Fair Management.

13. PAYMENT CONTROVERSY: Controversies regarding payment of premiums in any department will be resolved by decision of Fair Management in consultation with appropriate department heads. Any and all decisions made will be final with no recourse.

These special premiums or the awarding of Special Awards are secured by Fair Management with a promissory statement signed by the donor and are accepted by the fair management in good faith and must be contested for under these conditions. In the case where no award donor is designated, there will be no special award presented.

HOW TO HARDEN OFF YOUR FLOWER EXHIBIT
If a flower is to remain fresh throughout the exhibit period, it should be cut no later than the day before it is to be exhibited. It is generally recognized that afternoon-especially cutting in late afternoon, when the greatest amount of sugar has ascended into the leaves and blooms - as well as a “hardening off” process will help insure a winning entry.

Flower stems should be cut cleanly at an angle with a sharp knife or pruning shears and plunged into deep, hot water: 110 degrees Fahrenheit is ideal. Plunging plants up to their necks in cool water works as well. It is a good practice to carry a bucket of water to the garden and to place each cut specimen in the water at once. Lightly crush the base of woody stems on plants such as lilacs to improve the intake of water. Some flowers, such as Dahlias, Euphorbias and Poppies, need to have the cut tips seared over an open flame.

Following cutting and water treatment, specimens should be placed in a cool, darkened room. After several hours, when the water has come to room temperature, add ice to the water and leave the flower material undisturbed overnight or place flowers in a refrigerator or cooler at a temperature between 38 and 40 degrees for six or more hours before they are to be shown. Flowers prepared in this way improve their substance and will hold their freshness longer.

NOTE: For special awards in artistic arrangements, be sure to relate your materials and designs to the overall theme.

**Definition** – A quilt must be constructed from fabric with a top piece and a back piece with batting in between the fabrics and must be quilted and bound.

**PRE-PRINTED PANELS**: All entries that are a commercially pre-printed and/or pre-quilted panel should be entered in the Bedcover Division class 510-3. If you have pieced (consisting of more than just adding borders and binding) a pre-printed panel into a quilt top that you have then quilted, it can be entered in the appropriate class in Division 509.

All work on quilts in Division 509 must be the sole work of the person whose name the quilt is entered under, otherwise it MUST be entered in the GROUP Quilt Class.

A 3X5 card or business card with the machine quilters name and contact information, if desired, may be attached to the back of any group entry and will be placed on the quilt front for display purposes only after all judging has been completed.
First time quilters need to enter under Miscellaneous Quilts, First Time Quilters, Youth, class 98 or First Time Quilters, Adult, class 99. To be eligible for the First Time Quilters Award, it must be the first time exhibitor has exhibited at the Wyoming State Fair in the Needlework Department. (There is no requirement for the entry to be the first quilt that the exhibitor made).

Quilt Size: measure the length and width of your quilt, add these two numbers together. This is the figure you will use to determine which class to enter your quilt in. To help us enter your quilt in the correct class, **pin an index card with the length and width written down and the class you would like to enter your quilt in.**

Mixed Media is the combination of two or more techniques. (Example: Applique & pieced work, or a combination of applique, beadwork, embroidery [machine or hand], and pieced work, etc.). All/any embellishments must be permanently secured to the entry. (We will not allow the temporary use of safety pins to attach embellishments to items so that they can be qualified to enter a mixed media class. All embellishments need to be a planned and properly executed technique pertinent to the quilts competition classification.

Professional is one who teaches quilting for fees, makes a practice of selling labor/or completed works, or has been a previous Best of Show winner twice in the non-professional class.

It is the sole responsibility of the entrant and NOT the Superintendent that all quilts are entered in their proper Professional and Non-Professional Categories. The criteria for entering in a group quilt class, whether to enter in the Professional or Non-professional categories, will be based on who constructed the top. If a non-professional constructs the top but has it professionally quilted it will then be entered in the non-professional categories.

FRAMED PICTURES OR WALL HANGINGS
DIVISION 521

1st - $7; 2nd - $5; 3rd - $3
All needlework pictures must be properly framed, have secure
hangers, and be ready to hang. If entry cannot be hung on wall,
it will not be judged.

Worked Area Size - measure the length and width, add these two
numbers together. This is the figure you will use to determine which
class to enter your needlework. Make sure when you measure to
include the farthest stitches on the length and width.

Worked In - you are to use the stitch count that you actually worked
your entry in. (Ex: If you used 32 count linen, but worked over 2
threads, your project would actually have 16 stitches per inch, so
you would enter it in a 16 count class.)

All exhibits must be tagged with an index card stating the
length & width of the worked area along with the stitch count.

Classes 1-9 - length and width of worked area
may be any size.

Documents need to be presented for inspection at time of animal health check-in.

OPEN LIVESTOCK

Each interested open class livestock exhibitor is required to familiarize themselves regarding the General Policies and Procedures and abide by all Animal Health Requirements as outlined in this premium book prior to making application for entry.

By making application for entry, the individual(s) agree to abide by all departmental policies and procedures of the Wyoming State Fair.

1. Exhibitors are to read all General Policies & Procedures and Animal Health Requirements, as well as all special policies of this Department before making application for entry.

2. Each livestock exhibitor, handler or owner must purchase daily grounds admittance tickets or purchase an exhibitor season pass.

   Livestock Exhibitor’s Season Pass for the Open Show is good for all six days of the State Fair.

   Each exhibitor may purchase a maximum of four (4) season passes at $10.00 each. Exhibitor’s pass is not good for parking.

3. PARKING: A Livestock Vehicle Parking Permit must be purchased for any vehicle to be parked on the Fairgrounds. Livestock exhibitor parking permits, for on grounds parking, are to be purchased and ordered on the official entry form. Enter only at Pepsi Lot/Campground Gate. A livestock exhibitor parking permit will allow access on and off the Fairgrounds during the show. If you plan to park your tow vehicle in the free parking lot, a delivery/feed permit may be obtained at the accounting office or ordered on the official entry form, which will allow entry onto the grounds for unloading of livestock, tack and for daily feeding. However, note the delivery/feed permit is not a parking permit of any type.

   Livestock exhibitor parking permits are to be used in designated areas only. Parking in unauthorized areas will result in the vehicle being booted at the owner’s expense and/or forfeiture of all premiums.

   Livestock trailers will not be allowed to park on the grounds. Trailers will be parked in the complimentary trailer parking area of Pepsi Public Parking Lot, directly south of Cowboy Gate, west of Brownfield Road. Exit the Fairgrounds at the North Gate. No vehicles are to be parked along roadways or barn areas without the proper paid parking permit.

4. No fees are charged for fitting chutes, but this privilege will be available only under supervision of Beef Show Management.

5. Cattle are required to be stalled in the Ford Pavilion from 9 A.M. until 7 P.M. each day unless released. All cattle tied out must be in the barn by 9 a.m. This will be strictly enforced.

Miss Rodeo Wyoming
2019

Hannah Ostheimer

In August of 2018, Hannah Ostheimer of Sheridan County was honored to take home the gold and jade crown as the 62nd Miss Rodeo Wyoming!

Growing up along the Tongue River at the foothills of the Big Horn Mountains, Hannah developed a passion for fly-fishing, archery hunting, and horsemanship. Her parents supported her love of the outdoors and instilled both a strong work ethic and strong faith. She began competing at the age of eight in 4-H and won multiple state titles in both horsemanship and knitting. Her countless hours spent training were rewarded in 2016 when she won the prestigious American Quarter Horse Youth Association Show Jumping World Championship.

Hannah holds herself to exceedingly high standards both in education and in life. Being a dedicated student, she graduated from high school at the age of 16 as Valedictorian. Hannah subsequently graduated with distinction from Casper College in 2016 with an Associate’s degree in Agriculture. In 2018, she graduated magna cum laude from the University of Wyoming with a Bachelor’s of Science degree in Biology. Hannah intends to continue her passion for education and earn a Doctorate degree in Animal Science focusing on equine nutrition from UW. Her passion for education is what created her platform “smart is beautiful” encouraging the next generation to pursue higher education or trade programs.

Throughout college, Hannah augmented her busy school schedule with real world experience. She worked for equine barns in Oregon and Arizona, assisted in the equine reproduction facility at the Jan Pamela Polo Ranch in Big Horn, assisted vets as a tech, and interned at the University of Wyoming Research and Extension Center in Sheridan. Hannah uses her God-given talents to benefit not only herself and her family, but also her community at Toys for Tots, the Sheridan Community Christmas Dinner, and numerous fundraising events. At the age of 16, Hannah sustained a serious horse-related injury. Making the most of her injury, she went on mission trip to Nicaragua scheduled a few short months after being injured. Hannah found serving the children of Nicaragua to be a life-changing experience and her personal and financial commitment to those children continued for many years after the trip.

In Hannah’s 21 short years, she has accomplished a great deal! As the 2019 Miss Rodeo Wyoming, “I am genuinely honored to represent the great state of Wyoming, the western way of life, and the toughest sport on dirt. I extend my sincerest appreciation to my sponsors, my community, and my parents for their unwavering support. I am excited to tackle my next challenge...Miss Rodeo America! Go Cowboys!”

The Wyoming State Fair strives to make the livestock shows for Wyoming 4-H and FFA members more meaningful, with special emphasis on the development of responsible young citizens through wholesome competition in an agriculturally oriented, educational environment. Designated youth with project animals will have the privilege of exhibiting in this Youth Show. All bona-fide Wyoming 4-H and FFA members, in good standing, are eligible to enter the Wyoming State Fair Youth Shows upon proper qualifications and as a designated representative of their respective county/chapter. Individual youth members must have exhibited/shown at their current year county fair to qualify and become eligible for State Fair entry.

IMPORTANT REMINDER:
All Youth livestock entries are to be made by computer from the county level. Computer entry deadline is 6:00 P.M., Saturday, August 10, 2019 for youth entries. All Youth Show exhibitors must have medical release forms from their respective youth organization.

GENERAL YOUTH LIVESTOCK POLICIES AND PROCEDURES
1. Each FFA or 4-H exhibitor in this department is required to pay a processing fee as a condition toward application for entry. Processing fees are established as follows: $20.00 per head for beef cattle (breeding, market, feeder calf and cow/calf pair); $15.00 equine (halter and performance); $10.00 per head for sheep (breeding and market), swine (breeding and market), and all goats; $3.00 per rabbit; $3.00 per bird (poultry) and $3.00 per wool fleece.

   These fees are to be paid in full by the deadline of 8:00 P.M., Tuesday, August 14, 2018. If fees are not paid in full, the exhibitor(s) will either forfeit the right to compete in the 2018 Wyoming State Fair or must pay a late processing fee of $50 per county and/or chapter to be accepted.

Saturday, August 10
6:00 P.M. — Deadline for Youth Livestock Show entries/numbers via Showorks.
   — Extension Educators/FFA Advisors submit via Showorks the number of livestock (all species) coming to fair
   — ABSOLUTE deadline for computer entry for all 4-H and FFA static entries.

Monday, August 12
4:00 P.M. — Deadline for all 4-H/FFA exhibits and all Youth Livestock to be in place with all fees paid in full.

Sunday, August 18
6:00 A.M. — Begin Release of all Youth Show exhibits. No exhibits released prior to this time.

2. There will be no muzzles, of any type, allowed on youth livestock and drenching as a method to source nutrition for an animal is prohibited, unless approved in writing by a licensed Wyoming veterinarian and available for presentation upon request by the specific Show Superintendent.

3. All animals brought to the Wyoming State Fair must have a current Certificate of Veterinary Inspection. See the animal health requirements in the front of this competition guide.

When a question arises concerning the health of any animal exhibited on the fairgrounds, the Show Superintendent shall consult with the State Fair Veterinarian and recommend an action to the Fair Management. Said animal may be dismissed or quarantined, if necessary.

All livestock brought to the Wyoming State Fair must be accompanied by a current brand inspection, when applicable.

4. NOTICE: Advisors and/or Agents making entry for the Youth Livestock Show are to figure animal head count/stall/pen needs accurately and properly, especially in the case where facilities have specified limits for space allowed per county and/or chapter. Those individual counties/chapters who exceed allocation shall be fined $100.00 and the processing fees for the upcoming (next State Fair) year shall double (i.e., $10.00 sheep fee goes to $20.00) for all youth livestock shows.

No exceptions. Honesty and integrity are the guide.

5. In June, 1982, the 1940 agreement between the Wyoming State Department of Vocational Education and the Wyoming Agricultural Extension Service, involving 4-H and FFA youth, was reviewed and amended to read as follows:

“If a boy or girl is enrolled in both 4-H and Vocational Agriculture or Home Economics, work done must be different in each. For example: 4-H or FFA members may carry the same type of supervised occupational experience program in Vocational Agriculture or as a 4-H project, but the exhibit must be different in each. The FFA exhibit must come from a supervised FFA program and the 4-H exhibit must come from a 4-H project.”

6. All livestock must be owned by the individual members in compliance with the ownership dates:
   Market Beef - February 1
   Market Lambs - February 1
   Market Pork - February 1
   Market Sheep - February 1  
   Meat Rabbits - 80 day rule (see page 87)

7. All market animals shown must be properly tagged, by the above dates, with current, designated Wyoming State Fair ear tags. Market animals not having the proper tags in place will not be eligible to show. NO EXCEPTIONS!

8. YOUTH ANIMAL CARE/FITTING POLICY: Youth exhibitors must accompany, care for and exhibit their own livestock at the Wyoming State Fair. A Youth member is expected to take care of and groom/fit their own animal at the Wyoming State Fair. However, in the interest of safety and education, a Youth member may be assisted by another bona-fide Wyoming 4-H or FFA member.

Assistance is defined as a learning situation where the person doing the assisting is teaching the Youth member a technique in fitting or showing. This person is allowed only to show the Youth member the proper skill or techniques, and the Youth member is expected to perform the majority of each technique/skill required.

Violations of this rule must be reported to the Show Management before the animal enters the ring. A decision by the Show Committee will be made before the animal is allowed to enter the ring.

If a Youth member is found to be in violation of the fitting policy, he or she may be disqualified from competition in any Youth Division at the Wyoming State Fair, including Showmanship Contests.

9. During official class judging, only the exhibitor will be allowed in the show ring. In case of exhibitor sickness or other emergency, an animal may be shown by a substitute exhibitor, providing the substitute is a bona-fide Wyoming 4-H or FFA member and the Show Superintendent grants permission in writing and is recorded in advance of the show for an animal class.

In Showmanship Classes, exhibitors must show their own animal. Each Youth member having livestock for show is required to keep their display area clean and have the stalls orderly at all times. Failure to do so may result in forfeiture of premiums and/or awards.
Herdsmanship is an important feature of the Youth Show at the Wyoming State Fair. Stall cards are to be completed and on display for the duration of the fair.

11. Youth exhibitors are encouraged to enter Open Class shows and MUST PRE-ENTER by the July 23 entry deadline or as stated in the specific Open Class Show. Youth sheep exhibitors must enter the open sheep show by 6:00 p.m. Thursday, August 15. Please note entry fees, late fee charges and registration paper requirements for Open Class entries.

Original registration papers, or photocopies thereof, must be presented for all animals entered in classes so requiring. Absolutely no “applied for” registrations will be accepted.

12. Unsportsmanlike conduct will not be tolerated and offending exhibitors may forfeit awards and premiums; be dismissed immediately from the fairgrounds and/or lose future eligibility at the Wyoming State Fair.

13. In case the total department premiums exceed the established premium budget, premiums will be scaled down as designated by State Fair management to meet budget.

In the case where no donor is designated, there will be no special award presented.

14. There will be no dogs allowed in the Livestock Barns. Please review the guidelines and policy for dogs in the front of this State Fair Guide.

15. All livestock fans must be mounted at least five (5) feet high on stationary mounts. No fans in pedestrian walkways. Fans or equipment, in use by exhibitors, that is deemed to be obstructing safety or space, needed pen space, or facility operations will be requested to be removed by State Fair management. Safety guidelines must prevail.

16. All Youth show animals must be housed in the designated Youth section, unless given special written permission by the Youth Livestock Superintendent, in cooperation and agreement with the Open Show Superintendent.

17. FEED AND BEDDING/EQUIPMENT TRAILERS: There are to be no trailers parked on grounds (inside fenced areas) for 2019. The State Fair will designate allocated space for youth livestock support trailers. The trailers are to have a current permit displayed on the trailer for ease of visibility. Complimentary trailer permits and feed delivery vehicle passes will be provided, to one designated AEI or CEA, for each chapter and/or county; the number of permits provided being based on the number of registered youth livestock exhibitors from each chapter and/or county.

EXHIBITORS
FEED TRAILER PERMITS 1-10 11-30 31-50 51 & More
FEED DELIVERY VEHICLE PASSES 1 2 3 4

Additional feed delivery vehicle passes may be purchased for $60.00 each by the designated AEI or CEA. Feed delivery vehicle may only be used during the designated hours of 5:00 A.M. to 9:00 A.M. and 5:00 P.M. to 9:00 P.M. Violators will lose their feed delivery permit(s).

Trailers not having the proper permit displayed or not parked in the proper location will be notified and all county or chapter premiums will be withheld until proper corrections are taken in a timely manner. Chapters or counties not abiding by the designated allocation of permit spaces will automatically forfeit their feed trailer allocation space(s) for the next year.

All other livestock trucks and trailers are to be parked in the south end of the Pepsi Lot, west of Brownfield Road. (There are to be no livestock trailers parked in other locations on the grounds.)

18. Any person or group is encouraged to offer constructive comments and/or provide recommendations to improve the Wyoming State Fair Youth Livestock Show experience, to benefit all Wyoming youth show participants, at the present time and for the future.

19. The Wyoming State Fair encourages exhibitors in the Youth Show to wear 4-H or FFA emblems while exhibiting.

20. State Fair management reserves the right to interpret all rules and arbitrarily settle all differences and questions not adequately addressed in this guide.

21. PROTESTS: All formal protests from the Youth Livestock Show, must be made by a current Youth Livestock Show exhibitor and must be submitted in writing, be signed by the Youth exhibitor(s), and be accompanied by $100 cash or certified check (Fee refunded if protest is sustained). The protest must plainly state the cause of the complaint or appeal and must be delivered to the State Fair Director immediately after the occasion for the protest.

A protest pertaining to eligibility is most suitable when submitted prior to judging. No complaint or appeal that a judge overlooked an entry will be considered. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, interested parties may be notified and given the opportunity to submit evidence. A decision may be withheld until a complete investigation can be made.

22. NATIONAL CODE OF SHOW RING ETHICS
Refer to page 18, #31.

23. WYOMING STATE FAIR
FOREIGN SUBSTANCE PREVENTION AND RESIDUE AVOIDANCE PROGRAM

It is the policy of the Wyoming State Fair to prevent the usage of illegal, unapproved or unethical drugs; growth stimulants or hormones; and any improper foreign substance in animals entered for exhibit at the State Fair. The Wyoming State Fair reserves the right to limit or exclude the benefits of participation by any exhibitor as determined by the State Fair to be in violation of this policy. Refer to rules 31, 32 and 33 in the General Rules on pages 18-19.

GENERAL POLICIES - YOUTH BEEF SHOW

No Youth Beef Cattle will be allowed to be stalled before 8 a.m. on Monday, August 12, 2019.

1. A processing fee of $20.00 per animal entered is to be paid at the time of making entry.
2. All cattle exhibited in the Youth Beef Show must be recorded as a 4-H or FFA project and be designated to represent the member’s respective county chapter. All exhibitors are directly accountable to their Extension Agents and 4-H Leaders and/or Ag Education Instructors and FFA Advisors.
3. Any beef animal inadvertently entered in the wrong class may be assigned to the correct class. Animals that do not fit into established classes will not be allowed to show.
4. All Youth Show beef cattle will be stalled in the assigned stalls and assigned tie-outs only. All stalls, or any change in stalling, must be approved by the Youth Beef Superintendent. No breeding cattle will be shown without birth dates supplied to the Youth Show Office.
5. Any violation of the following policies will result in immediate disqualification of the exhibitor from the Youth Beef Show. Further forfeiture of awards, future privileges and disciplinary action may be taken.
   a. No use of any grooming material on an entry that when rubbed with a glove or cloth, shows evidence of artificial color.
   b. No use of any artificial tail head, tail fin, artificial poll, or adding any hair or hair-like substance.
   c. No showing of livestock of any ineligible age or showing unethical fitted livestock. Unethical fitting is deemed to consist of any method which alters the natural conformation of any part of the animal’s body, or any animal having been operated on or tampered with for the purpose of concealing faults or with the intent to deceive.
6. The attempted surgical or non-surgical alteration of conformation of an animal is prohibited, except for dehorning. Cattle are to be shown in their natural conformation. The use of false tailheads or adding hair, or other material to any part of the animal’s body is prohibited. The dyeing, or artificial changing of the existing color pattern and/or color is prohibited.
7. Fitting chutes/stands inside the barn must be in designated areas as determined by the Open/Youth Beef Superintendents. Trim stands/fitting chutes will only be allowed to be left standing in designated areas.

If barn space and access to alley ways are a safety concern, all blocking chutes must be registered with one of the superintendents by Tuesday at 5 p.m. The Superintendents will maintain a master list with the name of the individual and the number corresponding to the blocking chute, and then the same number will be secured to the blocking chutes. Any blocking chute that is not registered by Wednesday at 5 p.m. will be confiscated by the superintendents and the owner will need to contact the superintendents to redeem their blocking chute. This will enable the superintendents to identify the owners of the blocking chutes and be able to have them moved if necessary.

Each county and/or chapter is allowed to bring on grounds only one chute/stand per three (3) head of cattle stalled in the beef barns. Abuse of this guideline will cause each chute/stand to be permit tagged for a fee in the future.

8. Unfitted is defined as no compounds used on hair, hooves, or skin. Clean, dry, combed hair is acceptable.

9. Classifying the Market Beef at the State Fair does NOT mandate similar procedures at County Fairs. Showing cattle by height is advantageous only when sufficient numbers are available to ensure some uniformity. County Fairs may be best served by classifications based on weight or a combination of both hip height and weight.

10. Cattle are required to be stalled in the barn from 8:00 A.M. until 7:00 P.M. each day. ALL TIE-OUTS MUST BE IN THE BARN BY 8:00 A.M. AND REMAIN IN THE ASSIGNED STALLS UNTIL 7:00 P.M. THIS WILL BE STRICTLY ENFORCED. VIOLATIONS OF THESE TIMES WILL RESULT IN FORFEITURE OF YOUTH BEEF SHOW PREMIUMS. NO PANELS IN TIEOUTS.

11. All Youth Beef cattle entering Open Class Shows must present with respective beef association.

12. There will be no premiums paid for Youth Beef Showmanship classes.

**YOUTH BREEDING BEEF - DIVISION 1601**

**POLICIES**

1. Breed Association registration papers are not required, but are recommended for youth breeding cattle. All entries should be phenotypical of the breed class entered and be of high quality.

2. The Show Committee has full and final authority to designate the most appropriate class for each individual breeding exhibit. NOTE: It is the exhibitor’s responsibility to present a crossbred or questionalbe animal to the show committee for a visual appraisal and decision 48 hours BEFORE the day of the show. Unapproved animals, unsympathetic of the class entered, may be dismissed from the ring, the exhibitor disqualified, all privileges forfeited and may require additional disciplinary action to be taken.

3. Bulls should be shown with nose lead.

4. Show Management may combine or divide designated classes at their discretion for the best exhibition. If seven (7) or more females from one specific breed arrive on grounds and are processed, a separate breed show will be provided for. No special classes, or classes beyond the ages given, will be added.

POLICIES

1. A processing fee of $2.00 per animal entered is to be paid at the time of making entry. Entries are due by 6:00 p.m., Saturday, August 10.

2. Due to the rapid development of diseases in rabbits, rabbits will be inspected at an animal health inspection site, off grounds, prior to entry on grounds. Any rabbit showing symptoms of disease shall not be allowed on grounds or shall be removed from the show area immediately. Any associated costs, will be the responsibility of the owner and all entry fees will be forfeited.

3. Rabbits do not necessarily need to be pedigreed or registered or meet ARBA standards; however, exhibitors are encouraged to breed and show high quality, individual rabbits.

4. No more than two rabbits may be shown in each class by the same exhibitor. Due to small numbers, varieties in many breeds, will be shown together. All rabbit entries must be made as described in the 2019 entry information of the State Fair packet. The entries must be submitted by the University Extension Agent or FFA Advisor with all other State Fair entries on Sunday prior to the show. No rabbit entries will be accepted the day of the show.

5. If an animal is shown in a Fur Class, it must also have been shown in its respective Breed Class. Animals disqualified for reasons other than health, may still show in the Fur Class. Fryer fur animals should be shown out of a meat pen only.

6. Instruction sheet and comment card(s) will be handed out during check-in starting at 8:00 a.m. Complete comment card per instructions and be sure to put rabbit’s class number, in upper right corner of comment card.

7. Rabbit identification sometimes slows down the show. To speed up that process, exhibitors are asked to have all rabbits tattooed in the left ear. Please record tattoo number on the coop card. Valid entries from the county or chapter should include the computer entry plus a coop card. This will speed up the show.

8. Wyoming State Fair encourages Youth Show exhibitors to wear 4-H or FFA emblems. These emblems may be on any long sleeved garment. That garment cannot contain ARBA or individual rabbitry names or emblems.

9. There are four separate showmanship contests for rabbits: FFA Showmanship • Senior 4-H Showmanship • Intermediate 4-H Showmanship • Junior 4-H Showmanship

10. Current classes and varieties are the result of trends over the years. Additions and deletions are made each year based upon the trends shown by coop card numbers.

11. ENTRY INFORMATION: The Class Code must include the Division number and Class number. EXAMPLE: If you are entering a Californian Senior Buck, your class entry would be 1611-6 (1611 for Youth Rabbit Show division; and 6 for Californian Senior Buck class.

5. Market lambs must weigh a minimum of 100 pounds. Underweight lambs will not be allowed to show. Each lamb is allowed only one trip through for verification, processing and weighing. No weigh-backs allowed.

6. All market lambs must have their lamb teeth in place.

Lambs will be black pointed, like a blackface breed; legs, ears, head, and belly will primarily be black. Will have significant white spotting on face plate, ears and below the knees/hocks.

**YOUTH HOUSING-DORMITORIES**

In recognition of the achievements of Wyoming youth in earning a trip to the Wyoming State Fair, the fair provides the use of dormitory style housing on grounds for the benefit of youth exhibitors.

**FACILITIES:** The fair dormitories have bunk beds, foam mattresses, showers and lavatories. The female dormitory also has clothes racks. All youth and adult chaperones staying in the dormitories must provide their own bedding (sheets, pillows, pillow cases and blankets), towels, soap, personal hygiene items, clothes hangers and any other personal belongings as needed. Individuals are responsible for all personal belongings.

**ELIGIBILITY:** Only bonafide 4-H and FFA youth contestants who are participants in contests or educational activities during the State Fair along with official adults serving as dormitory chaperones are eligible to stay in youth housing. If space is available, Extension Educators, Agricultural Education (FFA) Advisors, and other designated chapter/county adult leaders may be allowed to stay in youth housing. **Children under eight years of age will not be allowed to stay in the dormitories.**

**COSTS:** Dormitory use fees are $40.00 per full week (Monday thru Sunday). No single day rates will be available. Each individual who stays in a dormitory is required to pay the 40.00 usage fee. Dormitories will be available for occupancy on Monday, August 12 at 8:00 a.m. and will close on Sunday, August 18 at 10:00 A.M.

**REGISTRATION:** Processes specific to each youth organization will be utilized. For FFA DORMS, see page 98, # 6-8 and contact Stacy Broda. For 4-H DORMS, see page 103, #2 and contact Johnathan Despain or the State 4-H office. It is the responsibility of the FFA or 4-H personnel to verify the arrival of the youth members named on the housing registration.

**PRIVILEGES:** Youth having dormitory privileges are required to abide by established policies and cooperate with fair and dormitory management for the enjoyment and benefit of all involved.

Advisors, agents and adult chaperones are responsible and accountable for the conduct of their youth delegation as well as designated chaperones at all times.

Individual or group violators of policies, deadlines or other established guides for conduct will face disciplinary and/or legal action.

For safety reasons: Each individual staying in the dormitory will be required to have proper identification, easily visible at all times, for access to the dormitories.

**PETS:** There will be no pets or animals of any type allowed in the dormitories; exception for written requests for service dogs for those individuals with sight or hearing impairment.

**HOURS:** All youth and adults staying in the dorm shall be in by 10:30 p.m. each evening or at the designated curfew time as posted by the Wyoming State Fair and the youth programs involved.

Adult chaperones are responsible to insure that each and all members of their delegation are in prior to the curfew deadline. Violations of the established time will cause the individual violator to automatically lose their dormitory use and other fairtime privileges for the current fair. The violator will be required to find alternative housing off of the fairgrounds or will be requested to leave the fairgrounds for the duration of the current fair or will have parents called to pick them up the following morning to be taken home for the duration of the current fair.

**FORBIDDEN:** Possession or use of alcohol or illegal substance on grounds is absolutely forbidden. Any youth participant, exhibitor, or adult chaperone identified with such substance shall automatically lose the privilege and earned right to represent their FFA Chapter or County 4-H program at State Fair and will immediately be sent home. There will be zero tolerance for alcohol or illegal substance use while involved with the Wyoming State Fair and/or being in the dormitories or on the fairgrounds. Legal action may be pursued for violations.

There shall be no tobacco use inside the dormitories at any time. Violators will be warned the first time, with a second violation resulting in automatic loss of dormitory use.

**MEDICAL:** Each youth participant and designated adult chaperone is covered by accident and health insurance by their individual youth organization. Individuals requiring medical assistance are required to contact the head chaperone of the dormitory or contact the administrative office of the participant youth organization; Fort Caspar for 4-H and Fort Laramie for FFA

**RESPONSIBILITY:** The Wyoming State Fair assumes no responsibility for the loss of property, accident or illness from utilizing dormitory space at the State Fair.

---

**DORMITORY PARKING**

**COMPLIMENTARY PARKING:** The Wyoming State Fair provides complimentary parking passes to one designated AEI or CEA from each participating chapter and county. The number of individual vehicle parking passes provided is based upon the number of registered exhibitors/contestants, staying in the dormitories, from each chapter or county delegation. Delegations having passenger buses will be provided one complimentary parking pass per bus.

**DELEGATES:** 1-5 6-15 16-25 26-35 36-50 51 & Up

**PARKING PASSES:** 1 2 3 4 6 8

GENERAL FFA POLICIES

Superintendent: Stacy Broda

All entries in the FFA Department must be from a Wyoming High School Agricultural Education Department and must be certified FFA projects. All members and chapters must be in good standing with the State Association.

All qualifying contests fall under the specific guidelines of the state contest for which the FFA member intends to qualify. (example: County showmanship for State FFA showmanship.)

1. Read carefully the “General Policies & Procedures” and Youth dormitory Regulations of the Wyoming State Fair. FFA exhibitors and advisors will abide by all applicable policies.

2. FFA exhibits Buildings open to receive entries at 8:00 a.m., Monday, August 12th. All exhibits must be checked in and be in place no later than 5:00 P.M., Monday, August 12 with all fees paid in full. Exhibits shall not be released until 6:00 A.M., Sunday, August 19.

3. FFA member project entries in Agronomy, Ag Mechanics and Classroom should be made out in the member’s name and member’s complete address must be included.

4. All FFA chapter Agronomy, Ag Mechanics and Classroom entries should be made in the chapter name and chapter address.

5. A processing charge will be made for FFA exhibits in the Youth Livestock Department. Applicable fees will be charged where FFA entries compete in Open Class. All entries must be made with the approval of or through, the respective Agricultural Education Instructor (A.E.I.).

6. DORMS: Each student attending the State Fair and staying in the dormitory must furnish their own bedroll and personal items. Cots and mattresses will be furnished. Information on the cost of dormitory room, meals, insurance and registration will be sent out by the State Office. All students must have medical release forms. Each student not staying on grounds will purchase daily grounds admission.

7. DORMS: All chapter advisors having students in attendance at the State Fair representing their local school and FFA chapter and housed in a State Fair provided dormitory must stay with their students and be responsible for the actions of their students at all times. Teachers will make certain, in advance, that their members are properly chaperoned, in either the Girl’s Dormitory or Boy’s Dormitories.

All FFA livestock exhibitors are expected to stay in the dormitory with their chapter advisor but at the discretion of the chapter advisor, an exhibitor may produce and submit an affidavit or release of liability signed by the student, parent(s) or guardian, the chapter advisor, and local school administrator to transfer the supervision of that student to another, relieving the chapter advisor of his/her responsibility to that child. This would therefore grant the student the ability to seek alternative accommodations which would be suitable to all parties involved. Failure to provide an affidavit or release, or failure to comply with this rule will result in student dismissal from State Fair participation. All youth using the dormitory facilities will be responsible for the cleaning of the dorms throughout the week. Any member leaving the dormitory between night curfew and 5:00 a.m. must have the permission of an adult advisor/chaperone to do so.

8. CHAPERONES: Advisors must provide a female chaperone for every 10 female students, or arrangements must be made for these students to be properly chaperoned at all times.

Directions will be given from Stacy Broda for online registration in dorms and youth livestock reservations. Online Registration must be completed Saturday, August 10th by 6:00 p.m.

9. Any FFA member exhibiting at the Wyoming State Fair will not consume alcoholic beverages or other illicit drugs, regardless of age. Any youth identified with liquor or drugs will be sent home and will forfeit all awards and premiums. Any further disciplinary actions will be at the discretion of the local school or county involved.

10. Any violations of rules pertaining to member conduct (disorderly conduct, fighting, insubordination, etc.) will result in action taken by the Dorm Committee and/or State FFA Advisor.

11. Livestock Fitting Policy-An FFA member is expected to fit their own animal at State Fair. However in the interest of safety and education, an FFA member may be assisted by another bona fide Wyoming 4-H or FFA member.

Assistance is defined as a learning situation where the person doing the assisting is teaching the FFA member a technique in fitting or showing. This person is allowed only to show the FFA member the proper skill or techniques, and the FFA member is expected to perform the majority of each technique/skill required.

Violations of this rule must be reported to the Show Superintendent before the animal enters the ring. A decision by the Show Committee will be made before the animal is allowed to enter the ring. If an FFA member is found to be in violation of the fitting rule, they will be disqualified from competition in any FFA or Youth Show Division contest at the Wyoming State Fair, including Showmanship Contests.

12. All designated committees will be responsible to resolve any problems arising in their competition area.

   DORM Committee: Ty Berry, Superintendent, Danielle Kundel, Rose McGivney, and Mike McConnell

13. GRIEVANCES - FFA Eligibility (exhibit or exhibitor): All grievances pertaining to the eligibility of an exhibit or exhibitor must be submitted in writing and accompanied by cash or certified check for $50. If the grievance is allowed, the check and/or cash will be returned. The grievance must be submitted to the Event Superintendent and must be submitted with 24 hours of the infraction. The Grievance Committee will be composed of the Event Superintendent, Livestock Superintendent and a State FFA Office Representative. The decision of this group will be final.

14. All chapters are responsible for keeping their dormitory area clean and leaving it clean upon departure. Any gross infraction of this policy will result in the withholding of that chapter’s premiums.

15. Absolutely no mistreatment of animals will be tolerated and infractions may result in immediate dismissal of member from the grounds.

16. All FFA members must attend the FFA Exhibitor Meeting with their Advisor on Tuesday, August 13 at 9:00 P.M., in McKibben Cafeteria.

17. CREDENTIALS: Wristbands, season meal tickets, event tickets, advisor parking and feed trailer passes will be issued to advisor/educators only. None will be issued directly to FFA exhibitors or their families. NOTE: $40 wristband fee ($30 for dormitory use and $10 admission fee) for all participants regardless of dormitory or campground stay. Individuals not staying on grounds will be required to purchase daily grounds admission if other proper credentials are not purchased. One day shows/events (rabbit show, etc.) are exempt from the wristband fee, but will purchase daily admission. Admission to specific youth activities will be based upon properly applied wristbands only. No Exceptions.

18. ENTRY INSTRUCTIONS: The class code must include the Division number and Class number. EXAMPLE: If you are entering Agronomy in Noxious Weeds; your class entry would be: 1702-4-1702 (for Agronomy Division; 4 for Class 4-Noxious Weeds.)

   NOTE: A chapter may only have one chapter entry number.
FFA AGRICULTURE MECHANICS
DIVISION 1701

Superintendent: TBA
Show committee: Jake Evans, Buffalo FFA, Jim Pannell, Hulett FFA, Clint Bromley, Encampment FFA

POLICIES

1. Entries will be judged on the basis of workmanship, evidence of sound planning, number and degree of skills involved, practicality and agricultural usefulness of the entry.
2. All entries must be student's work and result from the training program in Agriculture Mechanics.
3. The judges reserve the right to re-enter entries in classes in order to make up more judgeable groups of entries.
4. Judges shall give greater consideration to an item built entirely by the student rather than a pre-fabricated item.
5. Entries in Class 1 must be mounted on display boards that may be any size less than 2 feet by 4 feet. Display boards may represent several students' work. Points from these classes will have equal value with other similar classes in judging sweepstakes. Individual items not mounted will not be judged. Boards not meeting the specifications will be placed lower than those boards that do.
6. All entries must be removed from equipment and placed in proper class area to be judged. Example: pickup bumpers and stock racks.
7. All projects not of quality will not be judged. This will be left to the discretion of the Agriculture Mechanics Committee. The items must be removed from the display area.
8. Any entries in the Agriculture Mechanics Class that are found to have been shown in previous years will disqualify that chapter, for all premiums, for the current year, in the Agriculture Mechanics show. The Agriculture Mechanics Committee shall have the responsibility for making this decision.

GENERAL 4-H INFORMATION AND 4-H POLICIES

1. All Wyoming 4-H members in good standing in their respective county programs are eligible to enter exhibits in the 4-H Department’s Shows, Divisions and Classes.

2. Dormitories - The Wyoming State Fair offers a housing opportunity to all 4-H members and designated county 4-H adult chaperones participants. No one will be permitted to stay in the 4-H section of the dormitories without appropriate credentials. Each county is assigned beds in the 4-H section of the dormitories. The head 4-H dorm chaperone will be in charge at all times.

3. Credentials - Wristbands, season meal tickets, season event cards, and feed trailer passes will be issued to UW Extension Educators only for their 4-H county youth participants. None will be issued to youth or their families directly. NOTE: Wristbands will be required for all 4-H youth participants and can be obtained from your UW County Extension Educator.

4. Conduct - Every 4-H member and 4-H adult volunteer or chaperone signed an agreement outlining behavior expectations. While participating as a 4-H member or volunteer, that Code of Conduct or agreement is in effect.

5. The use of alcohol, tobacco, and illegal drugs is prohibited at all 4-H events or activities. This applies to the 4-H section of the dormitories. Any 4-H member or 4-H adult chaperone that possesses or that has consumed alcohol or illegal drugs may be sent home. This can result in the forfeit of all awards, premiums and trips. Additional disciplinary actions may be taken at the discretion of the county 4-H program under the direction of the UW County Extension Educator. 

6. Medical Emergencies and Health Forms - In the case of a medical emergency, seek immediate attention from medical professionals either by calling 911 or via the First Aid Station on the grounds of the state fair. After immediate attention is addressed, please contact your UW County Extension Educator or the State 4-H Office (Ft. Caspar).

7. Grievances - Any protests must be submitted in writing and accompanied by $50 check or cash to the State 4-H (Office Ft. Caspar). If the protest is granted, the check/cash will be refunded to the owner. The protest must be filed at least 12 hours before the completion/judging begins or within 12 hours after the end of the competition/judging. The matter will be addressed by staff from the State 4-H Office.

8. In June, 1982, the 1940 agreement between the Wyoming State Department of Vocational Education and the Wyoming Agricultural Extension Service involving 4-H and FFA youth was reviewed and amended to read as follows:

a. “If a boy or girl is enrolled in both 4-H and Vocational Agriculture or Home Economics, work done must be different in each. For example: 4-H or FFA members may carry the same type of supervised occupational experience program vocational agriculture or as a 4-H project, but the exhibit must be different in each. The FFA exhibit must come from a supervised FFA program and the 4-H exhibit must come from a 4-H project.”
4-H CAT SHOW – DIVISION 1814

Show Date: **Wednesday, August 14, 9:00 A.M.**
Check-in: **8:30 A.M.**

**General Rules and Regulations**

All rules and expectations for WSF and other Youth and 4-H Show animal exhibitors will be applicable to the 4-H Cat Show.

1. The “Household Pet” cat is of mixed breed or unknown descent.
2. A purebred cat is one belonging to a recognized breed with characteristics maintained through generations of unmixed descent; may be registered with a recognized registry.
3. Kittens must be at least 4 months old and not older than 8 months of age. Adult cats are older than 8 months of age. Because of susceptibility to disease, no kitten under 4 months of age will be acceptable for competition.
4. No pregnant or nursing cats may be entered.
5. All cats and kittens must have their claws clipped. Declawed cats may enter the show and will not be counted down for declawing.
6. Do not enter your cat if you feel it will not be easily handled by the judge.
7. Each cat or kitten must be wearing a harness or collar (not a safety collar) and a leash. The exhibitor must always wear the leash on their wrist for safety reasons.
8. Exhibitors must furnish their own carpet square during judging. Exhibitors must provide a proper cage or carrier for their cats/kittens. Exhibitors must bring their own litter and litter box.
9. All exhibitors should wear long sleeve shirts or blouses with trousers or skirts. No shorts.

**Health Requirements**

All cats must be accompanied by a current Rabies vaccination certificate, stating that the animal has been vaccinated by a veterinarian in accordance with current recommendations of the Compendium of Animal Rabies Control as prepared by the National Association of State Public Health Veterinarians (NASPHV). It is strongly suggested, but not mandatory, that all entries have the combination vaccinations, plus feline leukemia. Vaccinations should not be received within three weeks prior to the show.

Cats found to be ill or with parasites (fleas, ear mites, etc.) will not be allowed to show and will be dismissed from the grounds. No cat or kitten should enter if there any (feline) infectious or contagious disease existed in the household within three weeks prior to the show date.

Check-in starts at **8:00 A.M.**

**General Rules and Regulations**

All rules and expectations for WSF and other Youth and 4-H Show animal exhibitors will be applicable to the 4-H Dog Show.

1. 4-H members qualify to enter the State 4-H Dog Show by competing in their county 4-H dog show AND: **Showmanship** - youth won showmanship at county fair or the county 4-H Educator designates the youth - Champion Junior, Intermediate or Senior. **Conformation** - youth placed in the top 4 at county fair. **Obedience and Rally** - must compete at the same level at the State Show that they qualified for at the county level.
2. All dogs must be at least 6 months of age by May 1st to compete at the State 4-H Dog Show and 1 year of age by May 1st for agility classes.
3. All dog entries must be accompanied by an official health certificate by a veterinarian. No animals will be allowed at the Wyoming State Fair without a valid Animal Health Certificate.
4. All dogs must be on leash (excluding competition) and under control at all times. State Fair rules prohibit any dog from being any place but the campground and the site of the dog show. Dogs must not be taken near the stock barns. Once the 4-H dog show is completed, all dogs must be removed from the fairgrounds.
5. Vicious dogs will be dismissed from the ring and must be removed from the premises.
6. Females in season will be allowed in classes. However, they will go through at the end of all classes.
7. Spayed, monorchid and neutered dogs may be shown without judging discrimination.
8. The show committee reserves the right to ask anyone violating these rules to leave.
9. No class will be held up for a contestant in a different State Fair Show.
10. Entries for Rally classes and Agility classes will need a current Wyoming 4-H Jump Height card at check-in to verify correct class entries.
Section 1 - Dog Showmanship
Dog Showmanship (See Division 1879 - Classes 13 through 15)

Section 2 - Obedience

1. A 4-H member may compete in only one obedience class per dog with a total maximum of two entries (dogs). Their first dog is referred to as the "A" dog. The other is referred to as the "B" dog for class entries.
2. The first-year beginner novice class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first-year beginner novice class only once.
3. A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show, must show the dog by these guidelines:
   a. Junior and Intermediate age exhibitors may move back or down one level
   b. Senior age exhibitors must show the dog at the highest level the dog has achieved
4. A dog receiving a qualifying score of at least 170 points at the designated annual county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.
5. A high in trial will be calculated on the basis of the raw qualifying score plus five additional points with each increase in level of difficulty.
6. Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
7. All dogs must enter/leave the show ring and compete with a leash.
8. Bait and/or toys are not allowed in obedience competition.
9. Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.
10. Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.

**4-H EXHIBIT DIVISIONS**

1. Entries must have been exhibited at the respective county fair and have been designated eligible for state fair entry.
2. The Wyoming State Fair, State 4-H Office, and UW County Extension Educators or staff are not responsible for the loss of or damage to, any exhibit or animal.
3. It is the responsibility of 4-H youth to verify correct entry of their exhibits with their 4-H Educator.
4. Due to the absence of interview judging at the state fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, additional help from others.
5. Because 4-H promotes a learning experience associated with project enrollment, entries are evaluated within the context of the division in which they are entered. i.e. Entry in Leathercraft is evaluated on leathercraft skills.
6. Posters, pictures, artwork and photography exhibits should come with a method for hanging them on hooks attached to peg-board. If the items cannot be hung, they will be displayed on the floor or table.

7. Display boards or poster boards must be able to stand on their own on a table.

8. Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the State 4-H Office, may not be allowed to be publicly displayed and/or judged.

9. Oversized exhibits will be displayed as space permits.

The Wyoming State Fair is “rolling out a search for creative artisans” for the 2019 state fair. We are challenging you and your creativity to turn your farm yard junk into “very cool, creative works of art”, for state of Wyoming bragging rights and prizes:

1ST PLACE $75.00; 2ND PLACE $50.00; 3RD PLACE $25.00.

Hundreds, maybe thousands of auto parts, pieces of iron and steel welded together on a self-supported frame, makes for a highly creative work of art. Old wrenches, nuts and bolts, discarded wire cutters, abandoned padlocks, an old wood pencil, a hammer head and even saw blades for the body of a masterpiece! A spade (shovel) makes up a face and two large eyes formed from ball bearings, left over wood from a shed or fence, so don’t be afraid to use all available materials, so roll out your creativity! Start working on your sculpture now and enter the 107th state fair. These works of art will be placed on display throughout the fairgrounds during the fair, August 13 - 17.

The special sculpture / art work may be offered for sale, with a written, set price listed or the sculpture may be donated to the F. A. I. R. Posse as an educational support auction item.

LIMIT: One entry per exhibitor name (may be a business; group or individual)

It’s your chance to show off your skills and compete with other Wyoming Artisans for bragging rights! The only specific requirement is the sculpture must be self-supported and easily moved.

TO ENTER: Use Crafted Arts Entry Form in back of Wyoming State Fair book. Dept.2 Division 235 Class 001 Farm Yard Junk Sculpture or download Craft Arts Entry Form from our website at wystatefair.com/entry-forms.

NOTICE: Any item entered in this 2019 Farm Junk contest may not have been shown in any previous State Fair Farm Junk contest.

ENTRY FEE: Compliments of F.A.I.R. Posse

Sculpture will be accepted at the Fort Fetterman building for entry on: Saturday, Aug. 10 or Sunday, Aug. 11 – between the hours of 10am – 6pm.

PEOPLE’S CHOICE JUDGING CLOSES:
Thursday, Aug. 15, 2019 – 8pm.
