

Become part of a Living Legacy...

Purchase a tree for Wyoming's State Fair Park!

Age and other factors have damaged the existing trees. Replacement of these trees will help us make State Fair Park a place that many visitors can enjoy for years to come.

This program was developed as an opportunity to replace trees while giving organizations and the public a chance to show support for the Wyoming State Fair.

Reasons to purchase a tree:

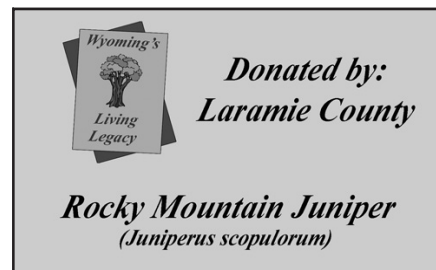

Show support for the Wyoming State Fair

Recognize a county or organization

Memorialize a friend or family member

(Example of plaque)

The cost of purchasing a tree is \$350. Each tree comes with a plaque that recognizes the person or organization who purchased the tree. The first trees purchased will be recognized at a dedication during the 2006 State Fair.

To purchase a tree or for more information, please contact the Wyoming State Fair Office at (307) 358-2398.
